Hello,

We want to thank you for expressing interest in working for Inukshuk Books.  
I am pleased to offer you the position of Software Product Manager for our upcoming projects.

We have a specific project in mind that we would like you to start with.  
I would like to set up a meeting with you to discuss this project. Is there a time this week that works for you?

We are very excited to have you on board. We were extremely impressed with your accomplishments and experience.  
I look forward to meeting with you,

Lisa
