Listed below are selected resources related to the topics presented in this module:

Estimating Task Time

An explanation of the calculation of estimates. This would be helpful if you struggled with creating the estimates based on the most probable estimate, the pessimistic estimate, and the optimistic estimate.

"Easy task estimation with Three-point estimation technique." 2012. 5 Jan. 2016 <http://www.agile-code.com/blog/easy-task-estimation-with-three-point-estimation-technique/>

A very useful book that explain software estimations. I would recommend this text if you are interested in reading more about estimates.

McConnell, S. C. (2006). Software estimation: Demystifying the black art. Redmond, WA: Microsoft Press.

Explains the "bottom-up" estimating technique.

"Project Management Knowledge Bottom-up Estimating ..." 2010. 5 Jan. 2016 <http://project-management-knowledge.com/definitions/b/bottom-up-estimating-technique/>

Provides explanations for various estimating techniques.

"Project Management Knowledge Analogous Estimating ..." 2010. 5 Jan. 2016 <http://project-management-knowledge.com/definitions/a/analogous-estimating/>

PERT

An approach for calculating the critical path on a PERT or CPM Chart.

"Program Evaluation and Review Technique (PERT) with ConceptDraw PRO" 2016. 10 Oct. 2016

<http://www.conceptdraw.com/How-To-Guide/pert-diagram>

Task Dependencies

Explains the types of task dependencies and provides examples and diagrams.

"Back to Basics: Understanding task dependencies - Microsoft." 2015. 5 Jan. 2016
<https://blogs.msdn.microsoft.com/project/2008/07/28/back-to-basics-understanding-task-dependencies/>

Another explanation of the types of dependencies.

"Understanding Task Dependencies in Project Management." 2014. 5 Jan. 2016
<http://www.projectinsight.net/project-management-basics/task-dependencies>

Iteration Plans

A good overview of iteration planning. Also has a sample agenda for an iteration planning meeting.

"rallydev.com: Iteration Planning - CA Agile Central Help." 2013. 5 Jan. 2016 <https://help.rallydev.com/iteration-planning>

Another good overview of iteration planning.

"Iteration Planning « Scaled Agile Framework." 2013. 5 Jan. 2016 <http://www.scaledagileframework.com/iteration-planning/>

An explanation on how iteration planning works under the Extreme Programming methodology.

"Iteration Planning - Extreme Programming." 5 Jan. 2016
<http://www.extremeprogramming.org/rules/iterationplanning.html>

Another explanation of iteration planning. This resource answers some good FAQs about iteration planning.

"Agile Software Development Iteration Planning | VersionOne." 2015. 5 Jan. 2016
<https://www.versionone.com/agile-101/agile-project-management-customer-management-best-practices/agile-development-iteration-planning/>
